Food provided by client: Clients are welcome to provide their own food and/or have their guests bring covered dishes. You will need to provide all serving pieces related to your food.

Food provided by a caterer: Many clients choose to engage the services of a professional licensed caterer when arranging for their food. Your caterer will be required to provide documentation in order to use the facilities. The caterer is assessed twelve percent (12%) of their total invoice before taxes as a fee for conducting business at Hagan-Stone Park and using the facilities. This charge will appear on the bill you receive from your caterer, not on your Hagan-Stone Park bill. This does not apply to events where the customer picks up the food from the caterer or restaurant or in cases where the caterer or restaurant simply drops off the food.

LEASE AGREEMENT, DEPOSIT, CANCELATION & FINAL PAYMENT

Reservation & Deposit: Your reservation will be confirmed when we receive a signed copy of the Lease Agreement, Rental Estimate, and Policies, along with a **\$50** advance deposit. **This deposit is non-refundable under any circumstances.**

Final Payment: Your balance will be due in full no later than ten (10) days prior to the date of your event. Any incidental expenses incurred on the date of your event will be due by the end of your event.

Cancelation: If you must cancel your event for any reason, a written notice is required. The **\$50** deposit is non-refundable and is retained in the event of your cancelation. If the event is held it is applied to your balance. If a cancelation is received in writing with at least ninety (90) days notice, any money paid in excess of the \$100 deposit is returned. If the cancelation is within ninety (90) days of the event, all money paid is retained unless the space is re-rented to someone else.

Clean up Requirements: Customers are expected to clear their tables of all trash and place all disposables in the trash cans provided by the facilities, remove anything they brought in for the event, and leave the kitchen in the condition in which it was found. If this is not done, a \$100 clean-up fee will be assessed to the customer.
