(For 2017, attachments were to be dated between July 1, 2017, and the deadline of September 28, 2017.) In the past, project applicants must have something attached in each upload spot in order to move forward in *e-snaps* and create a project application. Please proceed as usual, but expect that you may need to edit your attachments closer to the deadline. More details will follow. (Note: If there are corrections to any attachments, the Applicant Profile can be put in edit mode and new attachments can be uploaded.)

approximately July 23-31, 2018 – Review of HUD Details on CoC Project

Application Process *(This is an estimate as some materials are not yet published.)*

- Review HUD details of CoC Project Application Procedures and Changes. See HUD links:
 - CoC Program and 2018 Program Competition: <https://www.hudexchange.info/programs/coc/> and <https://www.hudexchange.info/programs/e-snaps/fy-2018-coc-program-nofa-coc-program-competition/>

- e-snaps training for project applicants: General information is located at <https://www.hudexchange.info/programs/e-snaps/>. As soon as HUD publishes the resources (not available as of June 26, 2018), you will scroll down on this webpage to get to the "General Project Application Information" and "Applications for Housing and Services Project Funding" resources.
- Typically, there are also detailed instructions for project applications in e-snaps on the left side gray bar.
- e-snaps web address: <https://esnaps.hud.gov/grantium/frontOffice.jsf>
- **Please begin working on your match letters. The letters must be dated within 60 days of the overall submission deadline.** *Please consult all HUD guidance and FAQs (searching with keyword "match") on Match. Past instructions stated: "Match funds are acquired from sources outside of this grant's funding request. The match information entered in e-snaps should be based on the **current commitments at the time of project application, covering the requested grant operating period (i.e., grant term), and NOT based on projections.** HUD expects the amount(s) listed on this screen to be accurate, with a commitment letter(s) in place that includes the amount(s) listed. Applicants should also review 24 CFR 578.73 and the FY 2018 CoC Program Competition NOFA for detailed information concerning Match." You can provide a letter to document cash, in-kind goods/equipment, and in-kind property. You MUST provide an MOU to document in-kind services. The formatting of the letters and/or MOUs is important.*

Please refer to the NCCEH BOS match/leverage explainer document if you need further guidance and make sure you follow the instructions on formatting. (You will need to scroll down the page to locate the pdf.) <http://www.nceh.org/bos/2017cocapplication/>

Lastly, the letters/MOUs MUST be attached to your e-snaps project application.

TBD – after July 20, 2018 – Project Review & Selection Process

- As in previous years, project applicants will receive a copy of the 2018 CoC project scoring categories and process to be used by the CoC's System Performance and Evaluation Committee and Board. These documents will be posted on the Guilford CoC website, and a training session will be scheduled for all project applicants
- All agencies submitting a 2018 CoC Project Application will also be expected to complete a quick form developed by PEH, where they will attest that they are operating low barrier housing first programs and following CoC written standards for Coordinated Assessment and Rapid Rehousing. Project Applicants should also anticipate submitting other information to PEH if required by the 2018 CoC NOFA. More details will follow.

August 13, 2018 – RENEWAL and NEW Project Applications Due in e-snaps (Note: As of June 26, 2018, the HUD 2018 project resources are still pending publication, so there may be some changes to the steps indicated below.)

- In the past, Project Applicants must complete three steps to access the Project Application—complete the Project Applicant Profile, register for the correct Funding Opportunity, and create a Project (name the project as it is named in the GIW and import from last year's renewal project). After doing so, the Project Application will appear on the "Submissions" screen.
- Open the "Submissions" folder, to locate your 2018 project application.
- Update and/or complete Project Applications in e-snaps per HUD instructions. Applicants should be able to import data from last year's application, which will make the process go faster. (Note: If your project was new in 2017, then it will not import,

so you will have to start from scratch with a 2018 renewal project form.) Please make sure the project name & number matches the name & number in the GIW and that the budget amounts are consistent with HUD-approved amounts (i.e., GIW) and/or CoC-approved amounts. Also, please review any corrections provided via email during the 2017 application review process by Jackie Hundt, so that the same mistakes are not made again. *Note: Remember the old project number imports, so you have to change it to the current one. Remember to edit the operating year is correct too, as the current year is what imports.*

- **Submit the project application in e-snaps in order to meet the 30-day before CoC deadline requirement.** If there are corrections, then Jackie Hundt will send the application back to the applicant for edits. The timestamp of submission is what is critical. Updates and corrections can still be made.
- Email exported PDF of Project Application to Jackie Hundt (ghundt@triad.rr.com) for review.

IMPORTANT NOTE: If the project application requires any data from the HMIS (as it sometimes has in the past), then Debbie Bailey will communicate with all project applicants regarding the necessary steps for running any required reports and/or inputting the HMIS data into the project application.

August 14-31, 2018

- Partners Ending Homelessness, Jackie Hundt, and applicants to review Project Applications, Applicant Folder (424), and any attachments for necessary corrections.
- Project applicants will make corrections as needed and may enter final match amounts in project application. Please attach pdfs of all match letters.

August 16, 2018

- System Performance and Allocations Committee meets to make recommendations for allocations and rank for new and renewal projects.

August 21-22, 2018 (special called meeting - CoC Board)

- CoC Board meets to consider SPEC recommendations for project allocations and priority ranking. At least fifteen days prior to CoC NOFA deadline, CoC Board will vote upon and announce the final ranking of projects. As in the recent past, projects will be ranked in two tiers per HUD's instructions, and projects in Tier 2 could possibly lose funding.

August 27-30, 2018 (special called meeting - CoC Membership)

- CoC membership approves allocations and project priority listing (Aug. 27: CoC Membership Notified, Aug. 29: CoC Membership Vote and Response by Aug. 30, Aug. 31: Gwen tally vote, notify board and Jackie Hundt of results, notify membership in next newsletter for notification)
