We prefer that you use PDF files, though other file types are supported. Please only use zip files if necessary.

Attachments must match the questions they are associated with.

Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.

We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).

The plan for selection of applicants and assignment of dwelling units to assure equal opportunity and non-discrimination on grounds of race, color, sex, religion, or national origin is Plan "B". Under this plan each qualified applicant first in sequence on the waiting list is made three offers of a unit of appropriate size. Re: FY 2021 HUD Continuum of Care Grant Application Notification

The System Performance and Evaluation (SPE) Committee of the Guilford County Continuum of Care (CoC) met on September 30, 2021, to review new and renewal project applications and to approve a ranking recommendation of CoC project applicants for the FY 2021 HUD CoC Grant Competition. The 2021 NC-504 Scoring Summary for Renewal Projects with Outcome Data and Points, 2021 NC-504 Scoring Summary for New Projects, and 2021 NC-504 Ranking Recommendations are attached.

The Committee made the following recommendations for the applications submitted by Greensboro Housing Authority:

Renewal Project Name: Housing Opportunities

Funding Amount Recommended: \$568,409

Budget Changes to Application: None

Rationale: Services to chronically homeless individuals and families and performance scorecard

Renewal Project Name: Shelter the Homeless

Funding Amount Recommended: \$518,353

Budget Changes to Application: Application amount should be reduced by \$28,871

Rationale: Services to chronically homeless individuals and families and performance scorecard. The recommended amount was reduced due to funds recaptured by HUD.

The SPE Committee developed priorities, reviewing and ranking projects that:

- Perform well on the Guilford County CoC's SPEC Scorecard, which includes HUD's System Performance Measures and other CoC project measures.
- Focus on serving those homeless subpopulations that have limited housing options (chronic, veterans, unaccompanied youth, families with children, and those experiencing domestic violence).
- Allocate funding based on HUD's estimated ARD, CoC Bonus, and DV Bonus amounts; maximize funding for the CoC by awarding bonus projects; and minimize the possibility of losing funding for renewals by ranking projects in Tier 1 or those that straddle the Tier 1/Tier 2 funding line.

As in past years, HUD requires a performance review and ranking, hence the annual rating process. Please note that in this year's recommendation, there are two (2) projects where reallocations were made. These reallocations were made based on funds recaptured and to allow funding for new projects.

It is also important to understand that the CoC could potentially lose funding when renewal projects straddle the line. As stated in the FY 2021 CoC Competition NOFO (page 14):

"If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1. Using the CoC score and other factors described in Section II.B.11 of this NOFO, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award the project at the reduced amount, provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively)."

In short, there is no guarantee that projects with a partial or entire funding request in Tier 2 will be awarded.

Any agency who wishes to appeal the recommended funding amount should consult the attached Guilford County CoC Appeals Process Document and follow the directions. **Appeals should be sent to Bernita Sims, the SPE Committee Interim Chair, by email (bernitas@wrlp.net) by 5:00 p.m. on Thursday, October 7, 2021.** If needed, the Appeals Committee will meet and notify the appealing agency of the decision by October 12. Questions may also be directed to Bernita by email or phone at 336-687-9995.

Thank you for your active participation in our Guilford County CoC and your partnership in building a robust housing system for all homeless persons in our community.

The Committee made the following recommendation for the application submitted by The Salvation Army of Greensboro:

Renewal Project Name: The Salvation Army HOME Program

Funding Amount Recommended: \$303,316

Budget Changes to Application: Application amount should be reduced by \$12,373

Rationale: Services to chronically homeless individuals and families and performance scorecard. The recommended amount was reduced due to funds recaptured by HUD.

The SPE Committee developed priorities, reviewing and ranking projects that:

- Perform well on the Guilford County CoC's SPEC Scorecard, which includes HUD's System Performance Measures and other CoC project measures.

Re: FY 2021 HUD Continuum of Care Grant Application Notification

The System Performance and Evaluation (SPE) Committee of the Guilford County Continuum of Care (CoC) met on September 30, 2021, to review new and renewal project applications and to approve a ranking recommendation of CoC project applicants for the FY 2021 HUD CoC Grant Competition. The 2021 NC-504 Scoring Summary for Renewal Projects with Outcome Data and Points, 2021 NC-504 Scoring Summary for New Projects, and 2021 NC-504 Ranking Recommendations are attached.

The Committee made the following recommendation for the application submitted by Tiny House Community Development:

New Project Name: Tiny House Community Development Permanent Supportive Housing

Funding Amount Recommended: \$0

Budget Changes to Application: This application was not recommended for funding.

Rationale: The SPE Committee would like to discuss further with your organization about how to improve applications for future application cycles. The average permanent supportive housing cost per household with a housing success for Year End 9/30/2020 was \$8,871.35. Renewal projects that spend \$2,500 above that amount receive zero (0) points. Of the new projects submitted (both permanent and rapid rehousing), this application's cost per household was well above other new projects and renewal projects.

The SPE Committee developed priorities, reviewing and ranking projects that:

- Perform well on the Guilford County CoC's SPEC Scorecard, which includes HUD's System Performance Measures and other CoC project measures.
- Focus on serving those homeless subpopulations that have limited housing options (chronic, veterans, unaccompanied youth, families with children, and those experiencing domestic violence).

"If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1. Using the CoC score and other factors described in Section II.B.11 of this NOFO, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award the project at the reduced amount, provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively)."

In short, there is no guarantee that projects with a partial or entire funding request in Tier 2 will be awarded.

Any agency who wishes to appeal the recommended funding amount should consult the attached Guilford County CoC Appeals Process Document and follow the directions. **Appeals should be sent to Bernita Sims, the SPE Committee Interim Chair, by email (bernitas@wrlp.net) by 5:00 p.m. on Thursday, October 7, 2021.** If needed, the Appeals Committee will meet and notify the appealing agency of the decision by October 12. Questions may also be directed to Bernita by email or phone at 336-687-9995.

Thank you for your active participation in our Guilford County CoC and your partnership in building a robust housing system for all homeless persons in our community.

Working to End Homelessness in Guilford County

Date: October 4, 2021

From: Guilford County CoC System Performance and Evaluation Committee

Re: FY 2021 HUD Continuum of Care Grant Application Notification

The System Performance and Evaluation (SPE) Committee of the Guilford County Continuum of Care (CoC) met on September 30, 2021, to review new and renewal project applications and to approve a ranking recommendation of CoC project applicants for the FY 2021 HUD CoC Grant Competition. The 2021 NC-504 Scoring Summary for Renewal Projects with Outcome Data and Points, 2021 NC-504 Scoring Summary for New Projects, and 2021 NC-504 Ranking Recommendations are attached.

The Committee made the following recommendations for the applications submitted by Family Service of the Piedmont:

Renewal Project Name: Family Service of the Piedmont Victim Rapid Rehousing

Funding Amount Recommended: \$92,889

Budget Changes to Application: None

Rationale: Services for victims of domestic violence and human trafficking and performance scorecard

Renewal Project Name: Family Service of the Piedmont Joint Transitional and Permanent/Rapid Rehousing

Funding Amount Recommended (DV Bonus): \$268,205

Budget Changes to Application: None

Rationale: Services for victims of domestic violence, dating violence, stalking or human trafficking and performance scorecard

New Project Name: Family Service of the Piedmont Victim Rapid Rehousing Expansion

Funding Amount Recommended (DV Bonus): \$103,062

Budget Changes to Application: None

Rationale: Services for victims of domestic violence and human trafficking and performance scorecard

The SPE Committee developed priorities, reviewing and ranking projects that:

- Perform well on the Guilford County CoC's SPEC Scorecard, which includes HUD's System Performance Measures and other CoC project measures.
- Focus on serving those homeless subpopulations that have limited housing options (chronic, veterans, unaccompanied youth, families with children, and those experiencing domestic violence).
- Allocate funding based on HUD's estimated ARD, CoC Bonus, and DV Bonus amounts; maximize funding for the CoC by awarding bonus projects; and minimize the possibility of losing funding for renewals by ranking projects in Tier 1 or those that straddle the Tier 1/Tier 2 funding line.

As in past years, HUD requires a performance review and ranking, hence the annual rating process. Please note that in this year's recommendation, there are two (2) projects where reallocations were made. These reallocations were made based on funds recaptured and to allow funding for new projects.

It is also important to understand that the CoC could potentially lose funding when renewal projects straddle the line. As stated in the FY 2021 CoC Competition NOFO (page 14):

"If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1. Using the CoC score and other factors described in Section II.B.11 of this NOFO, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award the project at the reduced amount, provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively)."

In short, there is no guarantee that projects with a partial or entire funding request in Tier 2 will be awarded.

Any agency who wishes to appeal the recommended funding amount should consult the attached Guilford County CoC Appeals Process Document and follow the directions. **Appeals should be sent to Bernita Sims, the SPE Committee Interim Chair, by email (bernitass@wrlp.net) by 5:00 p.m. on Thursday, October 7, 2021.** If needed, the Appeals Committee will meet and notify the appealing agency of the decision by October 12. - Perform well on the Guilford County CoC's SPEC Scorecard, which includes HUD's System Performance Measures and other CoC project measures.
- Focus on serving those homeless subpopulations that have limited housing options (chronic, veterans, unaccompanied youth, families with children, and those experiencing domestic violence).
- Allocate funding based on HUD's estimated ARD, CoC Bonus, and DV Bonus amounts; maximize funding for the CoC by awarding bonus projects; and minimize the possibility of losing funding for renewals by ranking projects in Tier 1 or those that straddle the Tier 1/Tier 2 funding line.

As in past years, HUD requires a performance review and ranking, hence the annual rating process. Please note that in this year's recommendation, there are two (2) projects where reallocations were made. These reallocations were made based on funds recaptured and to allow funding for new projects.

It is also important to understand that the CoC could potentially lose funding when renewal projects straddle the line. As stated in the FY 2021 CoC Competition NOFO (page 14):

"If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1. Using the CoC score and other factors described in Section II.B.11 of this NOFO, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award the project at the reduced amount, provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively)."

In short, there is no guarantee that projects with a partial or entire funding request in Tier 2 will be awarded.

Any agency who wishes to appeal the recommended funding amount should consult the attached Guilford County CoC Appeals Process Document and follow the directions. **Appeals should be sent to Bernita Sims, the SPE Committee Interim Chair, by email (bernitass@wrlp.net) by 5:00 p.m. on Thursday, October 7, 2021.** If needed, the Appeals Committee will meet and notify the appealing agency of the decision by October 12. Questions may also be directed to Bernita by email or phone at 336-687-9995.

Thank you for your active participation in our Guilford County CoC and your partnership in building a robust housing system for all homeless persons in our community.
