This contest is sponsored by the Guilford County Soil & Water Conservation District partnered with the City of Greensboro Water Resource Department

“Water the Cycle of Life”

Contest Procedure:

District first place winners in local contests will be eligible to enter the Area contest. Each Area first place winner will be eligible to enter the State contest. Each contest coordinator shall see that contestants and judges have a copy of the rules and shall urge them to study these rules, especially the sections on content, specifications, copyright and judging criteria.

All essays entered into District sponsored competition become the property of the respective District. These entities are entitled to use these essays for promotion of the Conservation District program.

For clarification an essay for this competition is defined as follows:

Essay - A short composition dealing with a single subject from a personal point of view; facts may be interwoven into the essay, which stimulates thinking.
