What is the Community Health Response Program (CHRP)?

Guilford County Department of Public Health is a Licensed Home Care Agency. Its Community Health Response Program provides short-term, limited skilled nursing by Registered Nurses and personal care assistance by Certified Nursing Assistants to qualifying Guilford County residents.

CHRP's medical social workers (MSW) and registered nurses (RN) also offer assistance in locating other community resources for clients.

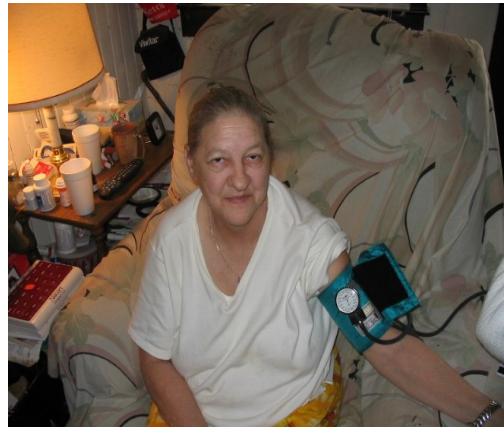

Eligibility Requirements

- Must be 18 years of age or older
- Live in Guilford County in a private residence
- Must have a physician who provides your medical care
- Have a need for limited skilled nursing services by an (RN) or personal care assistance by a Certified Nurse Assistant (CNA)

Cost for Services

The charge you pay is based on your annual gross income. You will be billed monthly.

Services provided by RN*

Initial visit will include a complete assessment with MD follow up, as well as any of the services listed below. Each visit includes vital signs and a mini assessment based on diagnoses, medications, and presenting symptoms.

- Chronic disease management instruction (including diabetes, heart disease, and wound care when supplies provided by client)
- Pre-fill pill boxes and insulin syringes
- Obtain blood samples for lab tests+
- Basic screenings (blood pressure, blood sugar, vital signs)
- Flu vaccination++
- Other services may be available per discussion with MD.

Services provided by CNA**

- Bathing
- Personal care
- Linen change
- Bagged trash removal
- Complete surface cleaning of bathroom
- Light meal preparation

+Will also receive separate bill from lab.

++ Billed to insurance provider if applicable.

*Services provided in consultation with client's physician.

**Minimum billing rate is 1 hour; services provided under the supervision of a RN.
