## A partnership is more than just a sponsorship.

Guilford County Parks presents several special events throughout the year that bring our community together. We offer a variety of sponsorship opportunities to businesses and individuals that are interested in supporting our mission to provide a healthy, safe, and sustainable experience that enhances the quality of life for Guilford County residents.

Sponsorships offer exposure and development of name recognition during programs and events and through publicity materials. Take a look through our sponsorship catalogue to view our various sponsorship levels. Don't see a level that works for you? No Problem! Customized and in-kind partnerships can be designed to meet all of your individual and corporate needs.
