Our Classes

Whether you're a first-time mom or you've been through labor before, prepared childbirth classes are a great way to prepare for welcoming your newborn baby into the world.

They can give you (and your partner) the confidence to handle one of the most exciting experiences of your life, from recognizing the first signs of labor to putting your newborn in their car seat and bringing your baby home from the hospital.

Sign up for childbirth classes!

- Medicaid covers the cost of the classes for moms and their partners.
- For moms without Medicaid, the cost is \$45.00 for the series.

**Call 336-641-4718 to
register for
for childbirth classes!**

*We also work with community organizations
to give a **free gift** to all of our class
participants!*

In our four-week class, you'll learn about:

- Signs of labor
- Relaxation and breathing
- Medications and interventions
- New mom care
- Daily infant care
- Calming and soothing your new baby
- Infant safety
- Breastfeeding

We hold classes:

- One night a week for four weeks
- At 1100 East Wendover Avenue, Greensboro, NC 27405
- 6:00 - 8:00 p.m.
